

Experienced Diesel Generator and Truck Technician Wanted!

Illumination Dynamics, Inc. (ID), a supplier of Lighting Equipment, Trucks and Generators to the Motion Picture, Television, Commercial and Sports Broadcast Industries including Automated Lighting to the Entertainment Television and Corporate markets with offices in California and North Carolina.

ID is looking for a Diesel Generator and Truck technician with 3+ years' experience in related fields and possess a **positive attitude and strong work ethic to work in our Charlotte, NC office**. If you love doing what you do, this is a great place to do it in. An opportunity to join a growing company in an exciting industry. Along with competitive compensation and benefits.

The role of Diesel Generator and Truck Technician is a full time position, on a daily basis; you would be responsible for performing preventive maintenance, repairs and troubleshooting to diesel generators and commercial and delivery trucks/vehicles. Knowledge of Paralleling Generator systems is preferred. Fabricating and welding skills are beneficial.

Responsibilities also include:

- Diagnose and repair both engine and electrical component problems
- Build, Fabricate and/or Modify equipment as needed including Commercial and Delivery Vehicles, Generators and Trailers
- Fabricate equipment for warehouse or general rental inventory as required
- Ability to work irregular hours, on-call rotation, and/or overnight travel on occasion may be required

Qualifications:

- Self-motivated and willing to work with little supervision
- Strong problem solving and critical thinking skills
- Electrical and mechanical aptitude
- General knowledge of generator theory, systems, equipment and maintenance required
- Ability to read and interpret generator drawings, blueprints and schematics
- Good verbal and written communication skills
- Possess valid driver license with good driving record
- Basic computer knowledge
- Ability to operate both standard and power tools
- EGSA Certification a plus

ID is committed to providing high quality equipment and customer service always operating with professionalism and integrity while meeting the exacting requirements of our customers in production. If you are an individual that would like to work with a great team of people in this type of environment; be able to bring creativity, expertise and commitment to strengthen and grow the company, we are looking for you!

We truly value our staff and offer a comprehensive benefit package including, medical, dental and vision insurance, a 401k, vacation, sick and personal leave, etc....Salary is dependent upon experience and skill set.

If you are someone who possesses these skills and are up to the challenge, please apply by sending an email to ARRIcareers@arri.com.

Illumination Dynamics is an **ARRI Rental Company** and an equal opportunity employer.
